When: May 19, 2018
Time: 11:30 am

Please bring your favorite brunch item or Donations will be appreciated

RSVP: Lisa (310) 694-6292

President's Report

April 2018

Board Meetings ... The next regularly-scheduled Board meeting the third Wednesday of each month will be held on May 16, 2018 at 6:00 pm in the Clubhouse.

Architectural/Home Improvements ... There are an increasing number of incidents of owners making architectural/home improvements without submitting and getting an Architectural Request approved by the Architectural Review Committee (ARC). When identified, this only serves to cause an unpleasant situation for all involved.

The requirement for Architectural Request approval is clearly stated in our governing documents. If you are considering making home improvements and/or exterior modifications, **PLEASE** review our CC&R's, Rules and Regulations, and Architectural Guidelines. These governing documents are available on our Seascape Village web site www.seascapevillage.net or contact Curtis Management at 949-245-2753 or 760-643-2200.

Mary Moore is our Chairperson of the Architectural Committee. Please contact Mary at (949) 493-2816 for any Architectural/Home Improvement matters.

If you are altering any part of your garage door, please fill out an ARC form and send it to **Curtis Management**.

If you need additional assistance, please do not hesitate to contact **Mary Moore at (949) 493-2816** or any of the other Board members. Please be aware that any ARC approval from the Association is only good for 90 days. If your home improvement takes longer for whatever reason, you may ask for a time extension.

Also, if you are considering landscape additions, modifications or changes in the Common Area adjacent to your residence, the CC&R's require a written request to Curtis Management Company, which will be reviewed by the Landscape and Architectural Review Committees, as applicable.

Landscape additions or modifications must be approved by the HOA. If approved, the future maintenance of the specific area will be the responsibility of the homeowner, including any and all future owners of that residence. Needless to say, the more detailed and complete the information given on a proposed modification, the better chance a request stands of being granted.

The City is requiring Association approval for all building permit applications. Any patio cover over 125sf now requires a City Building permit. If you're having interior work on your house and the City requires Association approval you can explain to them that the Association does not require approval for interior home modifications. Don't wait until the last minute. Your Architectural Review Committee is made up of your neighbors. They are here to help you.

Pools ... The heat was turned on at the Flamenco pool on April 1. The heat has not been turned on yet at the Gallita pool. It will be turned on when a couple ducks that settled in there have left.

Feeding Birds and Animals ... There are a number of residents that have bird feeders/waterers and/or are feeding birds and animals with scraps. While it may seem enjoyable to watch these animals, these activities also attract rats and other pests. Those of us who have had the unfortunate experience of having a rat problem in the attic know that it is not pleasant and difficult to get rid of. Ground squirrels and crows are among the other pests that are attracted by feeders and feeding. Therefore, **please do not feed birds or other wild animals.**

Pets ... Thankfully, the vast majority of Seascape pet owners are very diligent about picking up after their pet. However, there are a few pet owners who are not diligent about picking up after their pet. If you see someone not picking up after their pet and you know their address, don't confront them but do report this to a Board member.

Also, please remember that our pets must be on a leash whenever they are out of doors, even in the greenbelt areas.

Estate Sale/Open House/Dumpster Requirements ... The requirements for having an estate sale, open house, or if a dumpster is needed for remodeling demolition, are now included on the Seascape Village website under Governing Documents. The website is www.seascapevillage.net Refer to these requirements if you are planning an estate sale, and direct your realty agent to this website

if you are selling your home.

Landscape Common Area ... There has been an increase in unapproved resident activities affecting the landscape Common Area. The Seascape CC&R's are very clear that any and all actions that affect the Common Area must be approved in writing by the Board of Directors. The Board of Directors will be taking steps to have unapproved actions in landscape Common Area removed.

Section 3.8 states, in part - "Nothing shall be altered or constructed in or removed from the Common Area, except upon the written consent of the Board of Directors of the Association."

Section 14.1 states, in part - "No member may construct, repair, remove, improve or otherwise affect any portion of the Common Area in any manner unless specifically authorized in writing by the Board of Directors."

Parking Passes ... **Please contact any Board member if you need a Visitor's Parking Pass for any overnight guests to your home.** Make sure a parking pass is completely filled out and is placed on the driver's side of the dashboard, clearly visible. Passes are available only from Board Members. Board member names and phone numbers are listed in this newsletter or on our website at www.seascapevillage.net.

Painting of Wood Trim ... Painting the white trim started on October 9, 2017, and will take several months to complete. Please look for the notices as the schedule approaches your building. They will be painting all the white trim and utility doors. If you want your Patio cover painted by Pro-Tech, there will be an additional cost. You have already, or will, receive information on how to arrange this.

If you want to do some touch-up painting on exterior areas of your residence prior to our scheduled painting, please contact Curtis Management for the Vista Paint Company specifications of paint type and color. Owners may receive notices if touch up painting is required prior to our scheduled painting every 5 to 7 years.

Household Water ... If you have not installed a Pressure Valve in the main line to your home, you may want to do so. Call a plumber to check your water pressure. It's said to be best at about 55 PSI. Some residents have recently reported theirs, when checked, to be 90 – 100+ PSI.

Landscaping ... As we do remind you each month...please keep all plant growth a minimum of one foot (12") below the eaves of homes. Also any plant growth that is growing on the exterior stucco should be removed to prevent damage to walls or wood trim. Letters will be sent out for these violations if not corrected.

Water ... Southern California is well behind the seasonal average of rainfall for this time of year, so water conservation is encouraged. And pursuant to the South Coast Water District regulations: "No hosing or washing down hard or paved surfaces." **It is still recommended to use a car wash to help save water and to prevent water from entering the storm drain system.**

Lock Your Vehicle ... If your vehicle is left out overnight, make sure it is locked and do not leave any valuables in the vehicle. Please, if you see something that looks suspicious, immediately call the Sheriff Dispatch at (949) 770-6011.

Streets and Other Paved Surfaces ...Our streets are shared by motor vehicles, bicycles and pedestrian & pet traffic, and we have more young children playing in the streets. **Please adhere to the posted 10 mph speed limit** and use extreme caution when driving through the Village.

Also, for safety and insurance liability reasons, **riding of skateboards, rollerblades and scooters are strictly forbidden anywhere in the Village.** This includes all streets, walkways and driveways.

There has been a significant increase in the incidence of vehicles parking in the street. Please avoid parking on our narrow, private streets as these are fire lanes. Vehicles parked in the street are subject to immediate towing as the streets must be available at all times to allow for passage of emergency vehicles.

RSVP Program ... The City of San Clemente, in cooperation with the Sheriff's Dept., has a program called RSVP. RSVP is staffed by Senior Retired members from within the City. A few of these very fine individuals live right here in Seascape Village. They provide home services of which you might like to take advantage. These services are: 1. Vacation Home Checks, 2. Visits to the homebound You Are Not Alone Program (YANAP). These services are available to residents of the City at NO CHARGE to you. If you are interested in learning more please contact RSVP at 949-361-8224.

Homeowners Insurance ... If you have any questions concerning the coverage you may need for

your individual property, please feel free to contact the Association's insurance broker, LaBarre/Oksnee, at 1-800-698-0711. They will assist you or your insurance carrier to determine the proper coverage needed.

TIPS TO DISCOURAGE BURGLARS

Unlike us, criminals don't take a break over the summer. In fact, this is one of their busy seasons! Here are a few suggestions for reducing your chances of being the target of a burglary.

- Keep your garage door at all times except when entering/exiting.
- Install double-cylinder dead bolt locks on all your outside doors.
- Lock all doors and windows no matter how briefly you'll be gone.
- Install lock pins on sliding doors and windows.
- Never hide a key outside your home. Instead, give a key to a neighbor.
- If you're going away on vacation, use an electric timer to turn on lights, a television or radio at various times. Let your neighbors know how to reach you in case there's an emergency.

HOLIDAY SCHEDULE

In observance of Memorial Day, Curtis Management Company will be closed on Monday, May 28, 2018. If you have an emergency, please call the normal business number, 949/245-2753, follow the directions on the greeting and report your emergency to the answering service. The answering service will contact the on-call representative who will make every effort to assist you.

Memorial Day

In 1971, Memorial Day was declared a national holiday to be held on the last Monday in May. Now, even though Memorial Day marks the unofficial beginning of the summer season, celebrated with picnics and parties, let us all remember the true meaning of this day – a time to remember and honor those who died serving our country.
