Mike McAlister ~ Member at Large

3288 Paseo Gallita
310-486-6808, mmcalister54@gmail.com

BOARD MEETINGS

Meetings are held the third (3rd) Wednesday each month at the clubhouse at 6:00 p.m. All owners are welcome and encouraged to attend.

President's Report

November Board Meeting ... Due to the Thanksgiving Holiday, the next scheduled Board meeting will not be on the third Wednesday of November. It will be held on Monday, November 19, 2018 at 6:00 pm in the Clubhouse. Please mark your calendars accordingly.

Coyotes ... Young coyotes are venturing from their dens and they are roaming our village. Calling Animal Services won't help as there isn't anything that they can do. What you can do is be aware, protect your pets alert your neighbors should we see a coyote on the prowl.

Daylight Savings Time -Just a friendly reminder that daylight savings time ends on Nov 4. It's probably a good idea to "fall back" before you go to bed on Saturday night. This is also a good time to change the batteries in your smoke detectors.

New Communication Tool For Owners

Your association is moving into the New Millennium. We now have a way to contact you with important information **IF** you sign up for Seascape Villages Email. To make it easy, just send Amy (abergen@curtismanagement.com) your email address and ask her to put you on "The List". We will **NOT** use your address for anything but association related information and we would **NEVER** sell your information. If you need another sign-up form, please contact Curtis Management at 949-245-2753 or 760-643-2200.

Pools ... Please remember that when you go to the pool your key is what gives you the right to use the pool. Be sure to have it with you. There are times during the year that we will be asking all those at the pool to produce their keys so that we can rest assured we aren't providing free recreation to those who don't live in our village.

For Sale/For Lease Signage...Your association has established an acceptable templet to be used by all wishing to advertise for sale or for lease properties within Seascape Villages. The exact specs can be found on our website on the governing document page:

<https://www.seascapevillage.net/wp-content/uploads/2017/03/Real-Estate-Sign-Policy-3-3-2017.pdf>

We appreciate your adherence to these specs.

New Board Members

Please join me in welcoming our newest board members:

Carolyn Novotny
Mike McAllister
Neila Burns

LANDSCAPE COMMITTEE

Welcome to the new Seascape Village

Board

We are looking forward to working with the new board!

Tree Committee

Phase 1 of tree trimming or removal of diseased or unsafe trees is to be scheduled for November or December.

A proposal to plant new trees near ones removed if safe or practical will be presented to the board.

Also, a proposal to trim or plant trees with remaining 2018 tree trimming/reserve for 2018 will be presented at the November 2018 meeting.

We invite you to attend our monthly meetings at 10:00 a.m. the 1st Saturday of the month at the clubhouse.

Any landscape related complaints should be forwarded to: Mike Steinmetz, Landscape Committee Chair at: (949) 279-6625, mike@bogartconstruction.com or Co-Chair, Kurt Seidler, at kseidlersq@yahoo.com.

Concerns will be addressed as appropriate or forwarded to the Seascape Village Board for remediation and approval.

Community Information and Reminders

Pet Waste ... Thankfully, the vast majority of Seascape pet owners are very diligent about picking up after their pet. However, the frequency of pet owners not picking up after their pet is increasing. **If you see someone not picking up after their pet and you know their address, don't confront them but do report this to a Board member.**

Also, please remember that our pets must be on a leash whenever we are walking them.

Time for Inspection/Replacement?????

- Clothes washer and refrigerator ice/water hoses don't last forever. Therefore, if yours have a few years of age, you should inspect and/or replace them. Water leaks are a bummer! Checking the age of your hot water heater might also be a good idea.
- Batteries in your smoke and carbon monoxide detectors also need periodic inspection/replacement.

New Communication Tool To Owners ... This new communication tool represents an opportunity for real-time notification to homeowners of events, special BOD meetings, etc. that affect all of us. And

although the term "email blast notifications" is used, you don't have to worry about being bombarded with a flood of emails. So, if you have not yet signed up for this new communication tool, you are encouraged to do so. If you need another sign-up form, please contact Curtis Management at 949-245-2753 or 760-643-2200.

Notifications will continue to be included in the monthly Seascape Village newsletter. However, the newsletter has some limitations since the information to be included in the newsletter has to be finalized early in the month to send to the printer/mailer, and the newsletter is not received in the mail until near the end of the month. Therefore, information that becomes available later in the month will not be in the newsletter.

Architectural/Home Improvements ... Please send any new Architectural Requests to Curtis Management. They will log in your request and then forward it to the Architectural Review Committee (ARC) for processing.

Mary Moore is our Chairperson of the Architectural Review Committee. If needed, she will interface with you on the details necessary to evaluate and process your request. Please contact Mary at (949) 493-2816 for any Architectural/Home Improvement questions.

If you are considering making home improvements and/or exterior modifications, **PLEASE** review our CC&R's, Rules and Regulations, and Architectural Guidelines. These governing documents are available on our Seascape Village website www.seascapevillage.net or contact Curtis Management at 949-245-2753 or 760-643-2200.

Also, if you are altering any part of your garage door, please fill out an ARC form and send it to **Curtis Management**.

If you need additional assistance, please do not hesitate to contact **Mary Moore at (949) 493-2816** or **Curtis Management**. Please be aware that any ARC approval from the Association is only good for 90 days. If your home improvement takes longer for whatever reason, you may ask for a time extension.

Also, if you are considering landscape additions, modifications or changes in the Common Area adjacent to your residence, the CC&R's require a written request to Curtis Management Company, which will be reviewed by the Landscape and Architectural Review Committees, as applicable. Landscape additions or modifications must be approved by the HOA. If approved, the future maintenance of the specific area will be the responsibility of the homeowner, including any and all future owners of that residence. Needless to say, the more detailed and complete the information given on

a proposed modification, the better chance a request stands of being granted.

Any patio cover over 125sf now requires a City Building permit. If you're having interior work done on your house and the City requires Association approval you can explain to them that the Association does not require approval for interior home modifications. Don't wait until the last minute. Your Architectural Review Committee is made up of your neighbors. They are here to help you.

Feeding Birds and Animals ... There are a number of residents that have bird feeders/waterers and/or are feeding birds and animals with scraps. While it may seem enjoyable to watch these animals, these activities also attract rats and other pests. Those of us who have had the unfortunate experience of having a rat problem in the attic know that it is not pleasant and difficult to get rid of. Ground squirrels, coyotes and crows are among the other pests that are attracted by feeders and feeding. Therefore, **please do not feed birds or other wild animals.**

Estate Sale/Open House/Dumpster Requirements ... The requirements for having an estate sale, open house, or if a dumpster is needed for remodeling demolition, are now included on the Seascape Village website under Governing Documents. The website is www.seascapevillage.net Refer to these requirements if you are planning an estate sale, and direct your realty agent to this website if you are selling your home.

Landscape Common Area ... There has been an increase in unapproved resident activities affecting the landscape Common Area. The Seascape CC&R's are very clear that any and all actions that affect the Common Area must be approved in writing by the Board of Directors. The Board of Directors will be taking steps to have unapproved actions in landscape Common Area removed.

Section 3.8 states, in part - "Nothing shall be altered or constructed in or removed from the Common Area, except upon the written consent of the Board of Directors of the Association."

Section 14.1 states, in part - "No member may construct, repair, remove, improve or otherwise affect any portion of the Common Area in any manner unless specifically authorized in writing by the Board of Directors."

Parking Passes ... Please contact any Board member if you need a Visitor's Parking Pass for any overnight guests to your home. Make sure a parking pass is completely filled out and is placed on the driver's side of the dashboard, clearly visible. Passes are available only from Board Members. Board

member names and phone numbers are listed in this newsletter or on our website at www.seascapevillage.net.

Household Water ... If you have not installed a Pressure Valve in the main line to your home, you may want to do so. Call a plumber to check your water pressure. It's said to be best at about 55 PSI. Some residents have recently reported theirs, when checked, to be 90 – 100+ PSI.

Landscaping ... As we do remind you each month....please keep all plant growth a minimum of one foot (12") below the eaves of homes. Also, any plant growth that is growing on the exterior stucco should be removed to prevent damage to walls or wood trim. Letters will be sent out for these violations if not corrected.

Water ... Southern California was well behind the seasonal average of rainfall this past Winter, so water conservation is encouraged. And pursuant to the South Coast Water District regulations: "No hosing or washing down hard or paved surfaces.". It is still recommended to use a car wash to help save water and to prevent water from entering the storm drain system.

Lock Your Vehicle ... If your vehicle is left out overnight, make sure it is locked and do not leave any valuables in the vehicle. Please, if you see something that looks suspicious, immediately call the Sheriff Dispatch at (949) 770-6011.

Streets and Other Paved Surfaces ...Our streets are shared by motor vehicles, bicycles and pedestrian & pet traffic, and we have more young children playing in the streets. Please adhere to the posted 10 mph speed limit and use extreme caution when driving through the Village.

Also, for safety and insurance liability reasons, riding of skateboards, rollerblades and scooters are strictly forbidden anywhere in the Village. This includes all streets, walkways and driveways.

There has been a significant increase in the incidence of vehicles parking in the street. Please avoid parking on our narrow, private streets as these are fire lanes. Vehicles parked in the street are subject to immediate towing as the streets must be available at all times to allow for passage of emergency vehicles.

RSVP Program ... The City of San Clemente, in cooperation with the Sheriff's Dept., has a program called RSVP. RSVP is staffed by Senior Retired members from within the City. A few of these very fine individuals live right here in Seascape Village. They provide home services of which you might like

to take advantage. These services are: 1. Vacation Home Checks, 2. Visits to the homebound You Are Not Alone Program (YANAP). These services are available to residents of the City at NO CHARGE to you. If you are interested in learning more please contact RSVP at 949-361-8224.

Homeowners Insurance ... If you have any questions concerning the coverage you may need for your individual property, please feel free to contact the Association's insurance broker, LaBarre/Oksnee, at 1-800-698-0711. They will assist you or your insurance carrier to determine the proper coverage needed.
