President's Report

February 2023

By Paul Delaney

The busy holiday season has come and gone. Hopefully, it was an enjoyable time for all, filled with food, family and fun. Just a reminder that holiday decorations are to be down by February 1st.

I was speaking with a neighbor, and he told me that CR&R is getting picky about picking up Christmas trees. Seems that they will only pick them up if they are cut up and placed in the green can. If you still have a tree in the common area, please cut it up and put it in your green can. Thanks to all.

As we go into 2023, I look forward to continuing our progress in improving our village. Seascape is such a great place to live.

As mentioned in the last two President's Reports, the board has voted to enforce the parking regulations regarding Recreational Vehicles: trailers, jet skis and motor homes. To be clear, if a vehicle is equipped to accommodate sleeping, it is not permitted to park in the village overnight. That includes driveways and guest

parking areas. Over the holidays it came to my attention that there was some confusion on this. Hopefully, this improves everyone's understanding.

Also, if you are having work done on your unit, the contractor may not park a trailer, overnight, in the driveway or guest parking. Violators will initially be cited. Upon a second citation the vehicle/trailer will be removed from the village.

Community Information and Reminders

Pool Gate Please keep the pool gate closed at all times and do not allow anyone in that doesn't have a fob. Thank you.

Pet Waste Thankfully, the vast majority of Seascape pet owners are very diligent about picking up after their pet. However, the frequency of pet owners not picking up after their pet is increasing. **If you see someone not picking up after their pet and you know their address, don't confront them but do report this to a Board member.**

Also, please remember that our pets must be on a leash whenever we are walking them.

Plumbing Responsibility The Association receives a notice on the water bill when there is water usage 24/7

on a meter indicating there is a water leak at one or more units. There are up to 13 units that share a meter. A letter is sent to each property connected to that meter requesting the owner to perform an inspection to determine if there is a leak somewhere within the plumbing. Some owners have recommended performing a quick test to see if there is a leak within their unit as follows: *With water not running in the house, including not running the dishwasher, washing machine or a sink faucet, turn off the shutoff valve at the front of the house for **5 minutes**, and then turn it back on and listen. Without a leak you won't hear a sound. If you hear a whoosh sound, it means water has leaked out of the "closed system", which indicates either a faucet was left on, or a leak exists. If you hear the whoosh sound, recheck all the faucets etc. to be sure they are off and repeat the "test". If the whoosh sound repeats, the owner will need to call a plumber to determine where the leak is.* The unit owner is responsible for all plumbing inside the unit and plumbing lines leading to the meter for their unit. Once you have performed an inspection, please send an email to cflanders@curtismanagement.com, or write management so that they may log your response. Since there are several units connected to one meter, there may be multiple occasions where you may receive a letter at different times depending on new leaks occurring.

Architectural/Home Improvements If you are considering making home improvements and/or exterior modifications, **PLEASE** review our CC&R's, Rules and Regulations, and Architectural Guidelines. These governing documents are available on our website, www.seascapervillage.net, or contact Curtis Management. Please send any new Architectural Requests to Curtis Management. They will log in your request and then forward it to the Architectural Review Committee (ARC) for processing.

If you are altering any part of your garage door, please fill out an ARC form and send it to **Curtis Management**.

George Eachus is our Chairperson of the Architectural Review Committee. If needed, he will interface with you on the details necessary to evaluate and process your request. Please contact **George at 949-874-4739** for any Architectural/Home Improvement questions. Also, be aware that any ARC approval from the Association is only good for 90 days. If your home improvement takes longer for whatever reason, you may ask for a time extension.

Air Conditioners, any patio cover over 125sf and many other items require a City Building permit. If you're having interior work done on your house and the City requires Association approval you can explain to them

that the Association does not require approval for interior home modifications. Don't wait until the last minute. Your Architectural Review Committee is made up of your neighbors. They are here to help you. **Feeding Birds and Animals** ... There are a number of residents that have bird feeders/waterers and/or are feeding birds and animals with scraps. While it may seem enjoyable to watch these animals, these activities also attract rats and other pests. Those of us who have had the unfortunate experience of having a rat problem in the attic know that it is not pleasant and difficult to get rid of. Ground squirrels, coyotes and crows are among the other pests that are attracted by feeders and feeding. Therefore, **please do not feed birds or other wild animals.**

Parking Passes Please contact any Board member if you need a Visitor's Parking Pass for any overnight guests to your home. Make sure a parking pass is completely filled out and is placed on the driver's side of the dashboard, clearly visible. Passes are available only from Board Members. Board member names and phone numbers are listed in this newsletter or on our website at www.seascapervillage.net.

Landscaping As we do remind you each month....please keep all plant growth a minimum of one foot (12") below the eaves of homes. Also, any plant growth that is growing on the exterior stucco should be removed to prevent damage to walls or wood trim. Letters will be sent out for these violations if not corrected.

Lock Your Vehicle If your vehicle is left out overnight, make sure it is locked and do not leave any valuables in the vehicle. Please, if you see something that looks suspicious, immediately call the Sheriff Dispatch at (949) 770-6011.

Streets and Other Paved Surfaces Our streets are shared by motor vehicles, bicycles and pedestrian & pet traffic. Please adhere to the posted 10 mph speed limit and use extreme caution when driving through the Village.

Also, for safety and insurance liability reasons, riding of skateboards, rollerblades and scooters are strictly forbidden anywhere in the Village. This includes all streets, walkways and driveways.

There has been a significant increase in the incidence of vehicles parking in the street. Please avoid parking on our narrow, private streets as these are fire lanes. Vehicles parked in the street are subject to immediate towing as the streets must be available at all times to allow for passage of emergency vehicles.

RSVP Program The City of San Clemente, in cooperation with the Sheriff's Dept., has a program

called RSVP. RSVP is staffed by Senior Retired members from within the City. A few of these very fine individuals live right here in Seascape Village. They provide home services of which you might like to take advantage. These services are: 1. Vacation Home Checks, 2. Visits to the homebound You Are Not Alone Program (YANAP). These services are available to residents of the City at NO CHARGE to you. If you are interested in learning more please contact RSVP at 949-361-8224.

Homeowners Insurance If you have any questions concerning the coverage you may need for your individual property, please feel free to contact the Association's insurance broker, Armstrong / Robitaille/ Riegle at 949-381-7700. They will assist you or your insurance carrier to determine the proper coverage needed.

New Communication Tool for Owners If you would like to sign up for Seascape Village email notices, send Cierra your email address and ask her to put you on "The List". (cflanders@curtismanagement.com) We will NOT use your address for anything but association related information and we would NEVER sell your information.

South Coast Water District

The SCWD has announced there is a Level 2 Water Shortage. Customers *must* repair leaks, breaks and malfunctions within three (3) business days. ***Landscape irrigation shall be limited to one (1) day per week from November 1, 2022 to March 31, 2023. Watering, or irrigating, is prohibited between 9:00 a.m. and 5:00 p.m.*** (this applies to lawns, landscaping, and all other vegetated areas). ***Watering, or irrigating, with a device or irrigation system, is limited to no more than 10 minutes per valve per cycle. Outdoor watering CANNOT result in runoff.***

With these restrictions in place, this will begin to affect the turf and other areas during the warmer weather. Please do not attempt to water common areas with water from your unit. Use a broom to clean driveways, sidewalks, and entryways as opposed to the hose. Your help in conserving water is greatly appreciated.

I like the dreams of the future better than the history of the past.

RESPONSIBLE PET OWNER MONTH

It is the pet owners' responsibility to pick up and dispose of your dog's waste. Dog waste is a health hazard and carries parvo disease which can infect other dogs as well as attracting flies and rodents. Please carry dog bags with you when you walk your dog; you never know when you might need one.

Remember ~ all dogs must be controlled by a leash when outside the confines of your home.

We realize that we have some responsible pet owners in our community and we appreciate your cooperation! Thank you!

ASSOCIATION DUES

As a courtesy, a billing statement is mailed to each homeowner every month. Unfortunately, we cannot guarantee that the statement actually gets to you. Please remember the assessments will increase January 1, 2023 to \$440.00 per month. Homeowners are encouraged to set up a monthly reminder to pay this bill each month. If you pay your bill through an online service, please make sure you update the amount. You may also set up automatic payment drafting through Curtis Management at no cost to have your payment drafted each month on the 10th. If you are interested, please visit the Curtis website to electronically submit your auto debit form or to download a form to send in.

CURTIS MANAGEMENT HOLIDAY SCHEDULE

In celebration of the upcoming holiday, Curtis Management's hours will be adjusted as follows:

Monday, February 20thClosed

**Thinking on doing some renovations?
If so, PLAN...**

- P- Plan ahead and read the AAR form to give ample time.
- L- Let the Committee be aware of your renovation by submitting clear and detailed AAR forms.
- A- Adhere to all CCR's when renovating.
- N- Notice all verbiage stated on forms before submitting.

Taking the time to PLAN before making your improvement, will create timelines more efficient for everyone.

*A loving and kind heart is the
greatest gift you can freely share.*
