Katerina Saveleva ~ Director
978-985-5250

BOARD MEETINGS

Meetings are held the third (3rd) Wednesday each month at the clubhouse at 6:00 p.m. All owners are welcome and encouraged to attend.

President's Report

May 2023

By Paul Delaney

It seems most of the rains are gone and we are now headed straight toward summer. The heaters at Pools 2&3 have been turned on. Pool 1 had some heater issues, and that heater has been replaced. I think we are ready for summer.

I continue to be concerned about the safety of our residents who walk in the streets. We have no sidewalks in the village, so anyone wishing to walk needs to walk in the streets. I have been encouraging all to adhere to our 10 MPH speed limit and I want to expand that encouragement to e-bikes. No matter what mode of transportation you are using, the speed limit in Seascape is 10 MPH. Please, for the safety of your neighbors, be aware of your speed while driving in Seascape, whether in a car or on an e-bike.

It has come to my attention that trash cans are being placed out for pickup on Mondays and, sometimes,

being left out on Wednesday. Seascape Village has no sidewalks, and our streets are fairly narrow. If there are trash cans on either side of the street, it becomes difficult for two cars to pass. If someone is walking in the street, this becomes a very hazardous situation. All that being said, the rules state that trash cans may only be out on Tuesday. Frankly, the main issue here is safety. Please be certain that your trash cans are only out on Tuesdays. This will minimize the chance of harm to those walking throughout Seascape.

Now that we have entered Daylight Savings Time the days are longer. Please remember that pickleball hours end at 6pm. The constant popping of the ball can get old after a while. At the end of the day the residents around the courts would like to enjoy the evenings without any intrusion of noise from the pickleball courts. Thanks to all players for your cooperation.

Landscape Committee

The Committee Members are as follows:

Mike Koljan - Chairperson
koljamr@gmail.com

Marcelino Lomeli – Co-Chair & Flamenco Loop Leader
zpark1@cox.net

Jean Ruiz - Gallita Loop Leader
seascape301@outlook.com

Donna Ferguson – Halcon Loop Leader
mzdonna29@cox.net

HAPPY
MEMORIAL
Day

Community Information and Reminders

Pool Gate Please keep the pool gate closed at all times and do not allow anyone in that doesn't have a fob. Thank you.

Pet Waste Thankfully, the vast majority of Seascape pet owners are very diligent about picking up after their pet. However, the frequency of pet owners not picking up after their pet is increasing. **If you see someone not picking up after their pet and you know their address, don't confront them but do report this to a Board member.**

Also, please remember that our pets must be on a leash whenever we are walking them.

Plumbing Responsibility The Association receives a notice on the water bill when there is water usage 24/7 on a meter indicating there is a water leak at one or more units. There are up to 13 units that share a meter. A letter is sent to each property connected to that meter requesting the owner to perform an inspection to determine if there is a leak somewhere within the plumbing. Some owners have recommended performing a quick test to see if there is a leak within their unit as follows: *With water not running in the house, including not running the dishwasher, washing machine or a sink faucet, turn off the shutoff valve at the front of the house for **5 minutes**, and then turn it back on and listen. Without a leak you won't hear a sound. If you hear a whoosh sound, it means water has leaked out of the "closed system", which indicates either a faucet was left on, or a leak exists. If you hear the whoosh sound, recheck all the faucets etc. to be sure they are off and repeat the "test". If the whoosh sound repeats, the owner will need to call a plumber to determine where the leak is.* The unit owner is responsible for all plumbing inside the unit and plumbing lines leading to the meter for their unit. Once you have performed an inspection, please send an email to cflanders@curtismanagement.com, or write management so that they may log your response. Since there are several units connected to one meter, there may be multiple occasions where you may receive a letter at different times depending on new leaks occurring.

Architectural/Home Improvements If you are considering making home improvements and/or exterior modifications, **PLEASE** review our CC&R's, Rules and Regulations, and Architectural Guidelines. These governing documents are available on our website, www.seascapevillage.net, or contact Curtis Management. Please send any new Architectural Requests to Curtis Management. They will log in your

request and then forward it to the Architectural Review Committee (ARC) for processing.

If you are altering any part of your garage door, please fill out an ARC form and send it to **Curtis Management**.

George Eachus is our Chairperson of the Architectural Review Committee. If needed, he will interface with you on the details necessary to evaluate and process your request. Please contact **George at 949-874-4739** for any Architectural/Home Improvement questions. Also, be aware that any ARC approval from the Association is only good for 90 days. If your home improvement takes longer for whatever reason, you may ask for a time extension.

Air Conditioners, any patio cover over 125sf and many other items require a City Building permit. If you're having interior work done on your house and the City requires Association approval you can explain to them that the Association does not require approval for interior home modifications. Don't wait until the last minute. Your Architectural Review Committee is made up of your neighbors. They are here to help you.

Feeding Birds and Animals ... There are a number of residents that have bird feeders/waterers and/or are feeding birds and animals with scraps. While it may seem enjoyable to watch these animals, these activities also attract rats and other pests. Those of us who have had the unfortunate experience of having a rat problem in the attic know that it is not pleasant and difficult to get rid of. Ground squirrels, coyotes and crows are among the other pests that are attracted by feeders and feeding. Therefore, **please do not feed birds or other wild animals**.

Parking Passes Please contact any Board member if you need a Visitor's Parking Pass for any overnight guests to your home. Make sure a parking pass is completely filled out and is placed on the driver's side of the dashboard, clearly visible. Passes are available only from Board Members. Board member names and phone numbers are listed in this newsletter or on our website at www.seascapevillage.net.

Landscaping As we do remind you each month....please keep all plant growth a minimum of one foot (12") below the eaves of homes. Also, any plant growth that is growing on the exterior stucco should be removed to prevent damage to walls or wood trim. Letters will be sent out for these violations if not corrected.

Lock Your Vehicle If your vehicle is left out overnight, make sure it is locked and do not leave any valuables in the vehicle. Please, if you see something that looks suspicious, immediately call the Sheriff Dispatch at (949) 770-6011.

Streets and Other Paved Surfaces Our streets are shared by motor vehicles, bicycles and pedestrian & pet traffic. Please adhere to the posted 10 mph speed limit and use extreme caution when driving through the Village.

Also, for safety and insurance liability reasons, riding of skateboards, rollerblades and scooters are strictly forbidden anywhere in the Village. This includes all streets, walkways and driveways.

There has been a significant increase in the incidence of vehicles parking in the street. Please avoid parking on our narrow, private streets as these are fire lanes. Vehicles parked in the street are subject to immediate towing as the streets must be available at all times to allow for passage of emergency vehicles.

RSVP Program The City of San Clemente, in cooperation with the Sheriff's Dept., has a program called RSVP. RSVP is staffed by Senior Retired members from within the City. A few of these very fine individuals live right here in Seascapes Village. They provide home services of which you might like to take advantage. These services are: 1. Vacation Home Checks, 2. Visits to the homebound You Are Not Alone Program (YANAP). These services are available to residents of the City at NO CHARGE to you. If you are interested in learning more please contact RSVP at 949-361-8224.

Homeowners Insurance If you have any questions concerning the coverage you may need for your individual property, please feel free to contact the Association's insurance broker, Armstrong / Robitaille/ Riegle at 949-381-7700. They will assist you or your insurance carrier to determine the proper coverage needed.

New Communication Tool for Owners If you would like to sign up for Seascapes Village email notices, send Cierra your email address and ask her to put you on "The List". (cflanders@curtismanagement.com) We will NOT use your address for anything but association related information and we would NEVER sell your information.

South Coast Water District

The SCWD has announced there is a Level 2 Water Shortage. Customers *must* repair leaks, breaks and malfunctions within three (3) business days. ***Landscape irrigation shall be limited to one (1) day per week from November 1, 2022 to March 31, 2023. Watering, or***

irrigating, is prohibited between 9:00 a.m. and 5:00 p.m. (this applies to lawns, landscaping, and all other vegetated areas). ***Watering, or irrigating,*** with a device or irrigation system, is limited to ***no more than 10 minutes*** per valve per cycle. ***Outdoor watering CANNOT result in runoff.***

With these restrictions in place, this will begin to affect the turf and other areas during the warmer weather. Please do not attempt to water common areas with water from your unit. Use a broom to clean driveways, sidewalks, and entryways as opposed to the hose. Your help in conserving water is greatly appreciated.

***We are born of love;
Love is our Mother.***

~ Rumi

ASSOCIATION DUES

As a courtesy, a billing statement is mailed to each homeowner every month. Unfortunately, we cannot guarantee that the statement actually gets to you. Please remember the assessments increased January 1, 2023 to \$440.00 per month. Homeowners are encouraged to set up a monthly reminder to pay this bill each month. If you pay your bill through an online service, please make sure you update the amount. You may also set up automatic payment drafting through Curtis Management at no cost to have your payment drafted each month on the 10th. If you are interested, please visit the Curtis website to electronically submit your auto debit form or to download a form to send in.

HOLIDAY SCHEDULE

Curtis Management will be closed on Monday, May 29th in observance of Memorial Day. If you have an emergency, please call the normal business number, 949-245-2753, follow the directions on the greeting and report your emergency to the answering service.

Let us all remember the true meaning of this day – a time to remember and honor those who died serving our country.

PET CORNER ❁ ❁ ❁ ❁ ❁

Ownership of a pet in a community environment carries its responsibilities. Rules must be followed for the fairness of ALL residents (pet owners AND non-pet owners). Please be a responsible pet owner and adhere to the Association's pet rules.

- Pets are not allowed in the pool or spa area.
- No dog shall enter the Common Area except while on a leash which is held by a person capable of controlling such dog.
- Owners shall prevent their pets from soiling any portion of the Common Areas, or other Association property and shall be fully responsible for cleaning up after their pet and properly disposing the waste in your trash container (not your neighbor's trash can that may be out for pick-up).
- Pet owners shall be responsible for any damage caused to the common area by their pet.
